ANNUAL REPORT OF THE TOWN HEALTH OFFICER

For the year ending Aug. 31, 1916.

The following contagious diseases have been reported to me during the year:

Measles	3
Whooping Cough	12

The conditions of the schools have been inspected, milk sold by the milk dealers of the town has been analyzed five times.

The sanitary conditions of the school houses and other public buildings is thought to be very good.

Some improvements have been made in the town which will cause it to be more in a sanitary condition.

W. H. BOLLES,

Town Health Officer.
